

free corporations for first-time
entrepreneurs
POWERED BY **eMinutes**[®]

We're looking for 500 first-time entrepreneurs. We want to help them launch their businesses, and we have an extraordinary offer: **Our lawyers will consult with them and form their new companies – and we won't charge anything. Not even the filing fees***.

For nearly twenty years, we've formed corporations and LLCs for A-list movie stars, Grammy award-winning musicians, and athletes.

We love what we do. We're excited by the entrepreneurial spirit, and we want to help grow some businesses.

WHAT WE'RE LOOKING FOR:

1

PASSION

We're looking for enthusiastic first-time entrepreneurs;

2

A SERIOUS PLAN

We'll need an organized business plan and a bio from the founder;

3

SKIN IN THE GAME

Our entrepreneurs should have sufficient resources to make the business successful; and we need a commitment that the entrepreneur will pay his or her taxes, engage a CPA, and maintain the company properly.

All we want in return is to be part of the story. Our 500 Entrepreneurs will keep us posted on their progress, their challenges and their successes. We're ready to have some fun.

* The business needs to be located in California or New York (that's where we practice law). We have to cap the number of companies we are forming for free, so we're looking for four or five entrepreneurs each month to be part of our "500 Entrepreneurs" program. We reserve the right to accept or reject entrepreneurs who apply to be part of this program for any reason or for no reason.
