EMINUTES POLICIES

Accountant Required. We believe that you need a great team, starting with a great accountant. Forming a company involves tax matters that our law firm does not handle.

Technology. We've spent nearly \$2 million on technology, and we deliver our documents electronically. If technology isn't your thing, we're probably not the lawyers for you.

Credit Cards. To enable us to handle filings on your behalf, we require that all of our clients maintain a credit card on file.
