

To Everyone on The eMinutes Team,

We want you to know how much we truly appreciate all the work you do with us and our clients. We especially appreciate your help creating Hand in Hand, Inc. so quickly and efficiently. This entity was created to produce a hurricane relief telethon that went on to raise over 50 million dollars for victims and we couldn't have done it without all of you!

All the best,

Alan Reback and Everyone at Reback Lee & Company, Inc.
